

# MONOLYTH

Born in Italy, the dark and hard techno sound panorama rides.

Since its debut in 2016 on Labrynth and FLASH Recordings, counts many more on Abstract Mechanisms, Illegal Alien Black Label, Mephist, Konstruktiv, True Type and its basic label Metaphysical Recordings. Monolith has played in many Italian clubs and especially in his most successful city with artists like Ben Sims, Flug, Slam, MTD, Luis Flores, Electrorites, Florian Meindl and many others. Monolith is an integral part of the Techno Mas promoters group. Being constantly experimenting with analog sequencers, synthesizers and sound design, its purpose is to convey its love for music to other people and will definitely do so without any compromise.

His music is increasingly appreciated and played in the best festivals and platforms, such as Boiler Room, by the most representative talents of the world techno scene, such as the legendary duo SLAM, Paula Temple, SHDW & Obscure Shape, Blawan, Par Grindvik, James Ruskin, The Advent, Unbalance, Samuli Kemppe, Amotik, Stephanie Sykes, Florian Meindl and many many others.

In November 2020, his super track "ECLIPSE FIRST THE REST NOWHERE" is included by "ABSL" in the play list of the famous magazine Mixmag France.
